

Ready to move?

Here is a quick reminder of who you should contact and when!

Movers

Contact your mover well in advance of your move to reserve your date. We suggest doing this right after you remove conditions!

Insurance

Keep current insurance in place until the day after you give up possession of your current property. Have new insurance in place one day before you gain possession of your new property.

Utilities etc...

SaskEnergy, SaskPower, City of Saskatoon – at least one-week notice needed. c SaskTel, SHAW – at least two weeks notice needed.

Mail Forwarding, Canada Post

Online or in-person at your local post office – at least one week's notice is needed.

Others to Remember

Schools, driver's licence (SGL), banking, investments, credit cards, Canada revenue agency, doctor, dentist, health care providers, life/health/disability insurance, child tax credit, newspaper/magazine subscriptions, alarm/security.
